

International Economic Summit™

a world trade simulation for high school students

“Do The Summit”

The International Economic Summit is a world trade simulation that teaches students the benefits and challenges of a global economy!

April 28, 2009

**ISU Student
Union
Ballroom**

**9:00 AM -
3:00 PM**

Team fees have
been paid for

Now is the time to sign up your students for an experience that they will remember for a lifetime! Join schools from across the region for a day-long competition that will reinforce student's learning of global economic principles. Tariffs, trade agreements, imports and exports, strategic alliances, geography and more culminate in awards and recognitions for top-scoring teams.

Register now for the Spring 2009 Summit at Idaho State University!
